Candidate Statement (75 words maximum)

Members seeking election are kindly requested to include details of work they wish to undertake for the Association including possible future developments.

I believe we have an amazing industry full of talent, innovation, diversity, and a work ethic that many other industries would love.

We do though, have a challenging few years ahead as finances tighten and there appear to be more and more reasons to not to do events.

We must try to work together, learn from each other and use the combined creativity of the membership to maintain a relevant position within the Events Industry.....
