

NOEA
members
we need
you!

Together we can build back better but first we
need to bring everyone together with your help!

This is how you can help the Annual NOEA Awards

1

We need you to nominate yourself, your colleagues or someone you know who has demonstrated best practice or deserves recognition and celebration in our award categories.

2

We want you to know that you can nominate non NOEA members and of course NOEA members for our award categories. We include everyone in the whole outdoor events sector.

3

We know how busy your life is which is why we don't require none of this '500 word essay' or endless evidence for nominations. All we want to know is why they should win and that can be a sentence or more as well as sharing a link. Whatever makes the process easier for you!

SHARE, SEND AND NOMINATE!

Here all the categories you can nominate!

Swipe through the next couple of
pages and start nominating!
