"Versatile is immensely proud to be awarded the NOEA Event Organiser of the Year Award. NOEA brings together the best in the industry and we were delighted to take part in the Convention and Awards Dinner sharing knowledge, best practice, and industry news with our colleagues." Versatile Venues

"Laceys have sponsored the NOEA Awards for many years. Why? It is an extremely cost effective way of marketing (in our case licensing and other legal services) to a specific targeted audience, namely the outdoor event industry. The press and social media coverage is second to none and having ourselves been the recipient of an award, we know how much of an honour it is to be recognised in this way." Philip Day, Laceys Solicitors

"We believe that the work that NOEA continues to do in our industry is hugely important. Whilst our membership fees go some way to helping them to do this, we were glad to contribute a little more and highlight a key industry challenge (DE&I) by sponsoring an award last year" Cris Cicirello, Wasserman
