ABOUT EVENTSBASE JOBS FAIR

Eventsbase is the industry media platform for events professionals in Scotland. Our website hosts news and views from both the events and festivals sectors, a dedicated supplier and venue directory.

Alongside our sister company EVENTIT, who deliver the annual events trade show, we run a programme of UK wide networking events and we are now pleased to announce the launch of our inaugural EVENTSBASE Jobs Fair.

The EVENTSBASE Jobs Fair is dedicated to attracting new and young talent into the events sector.

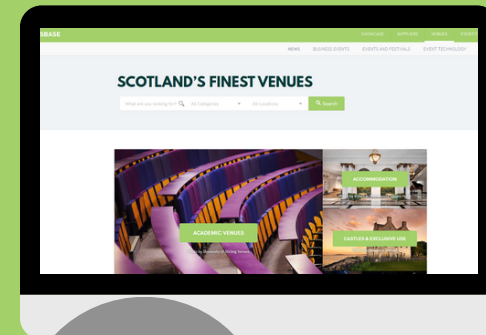

If you are looking to meet jobseekers who may be interested in specific disciplines within our vibrant industry, or your organisation is recruiting across the sector, you must join us at Scotland's first EVENTSBASE Jobs Fair.

The day will open at 12.00pm with our expert panel outlining the wide range of employment opportunities available, followed by an afternoon of networking with job seekers.

- Engage with jobseekers who have made the decision to pursue opportunities in the events sector
